Thank you for contacting Feral Cat FOCUS regarding your concern for feral cats in your community. You have taken the first step towards improving their lives and reducing litters of unwanted kittens.

Feral Cat FOCUS leads the movement in Western New York to protect and improve the lives of feral cats. Our volunteers work hard to bring Trap-Neuter-Vaccinate-Return (TNVR) into the public spotlight as the most humane and effective method to end cat overpopulation. We are here to help you implement TNVR for the cats in your community.

- We can loan you a humane trap and show you how to use it.
- We can show you how to do humane TNVR trapping.
- We can schedule an appointment for your cat/s at a spay/neuter clinic.
- We can vaccinate your cat/s for rabies and FVRCP (distemper).
- We can provide information on long-term colony management.

The following information is enclosed to help you get started on your TNVR project.

- 1) Feral Cat FOCUS Brochure
- 2) Spay/Neuter Clinic - Caregiver Requirements
- 3) FAQ's About Spay/Neuter Appointment
- 4) Terms of the Trade
