PROVIDING FERAL & FREE-ROAMING CATS WITH FUNDAMENTAL COMMUNITY SERVICES

i202

Spring 2025

Happy Spring to all,

It is our favorite time of the year, time for FUSION, our annual fundraiser,

Come to the 19th annual Fusion Fundraiser! You will support an excellent nonprofit that has ensured thousands of cats receive the care they need AND you will be sure to have an amazing night of FOOD, DRINKS, GAMES and PRIZES!!!!"

On April 12, 2025, join us for an evening of unlimited food and drinks, a basket raffle, an amazing silent auction and, most importantly, a chance to connect with other fellow animal lovers. There will also be games galore like Booze Fling, Plinko, Scoop-A-Poop, Lottery Tree, What's in Your Wallet and more!

Your attendance at this event directly supports our mission and every dollar you give will provide care for a community cat. Your involvement truly makes a difference for the cats of WNY.

Feral Cat FOCUS Inc. has been at the forefront of solving the feral and free-roaming cat overpopulation crisis since 2003. FCF helped provide 2700 cats with low cost spay/neuters just this past year. To date, we have altered over 40,000, which translates, at a minimum, to saving over 450,000 unwanted kittens. (An unspayed female cat averages 2 litters per year with an average litter of 4-6 kittens).

We need your financial support to keep up this critical work. Please attend Fusion, send in a monetary donation or consider becoming an individual or corporate sponsor of Fusion. Sponsorships make a huge impact on the care and services that we can offer in 2025.

Your involvement truly makes a difference for the cats of WNY.

Feral Cat FOCUS is about to open our 2025 TNVR Season.

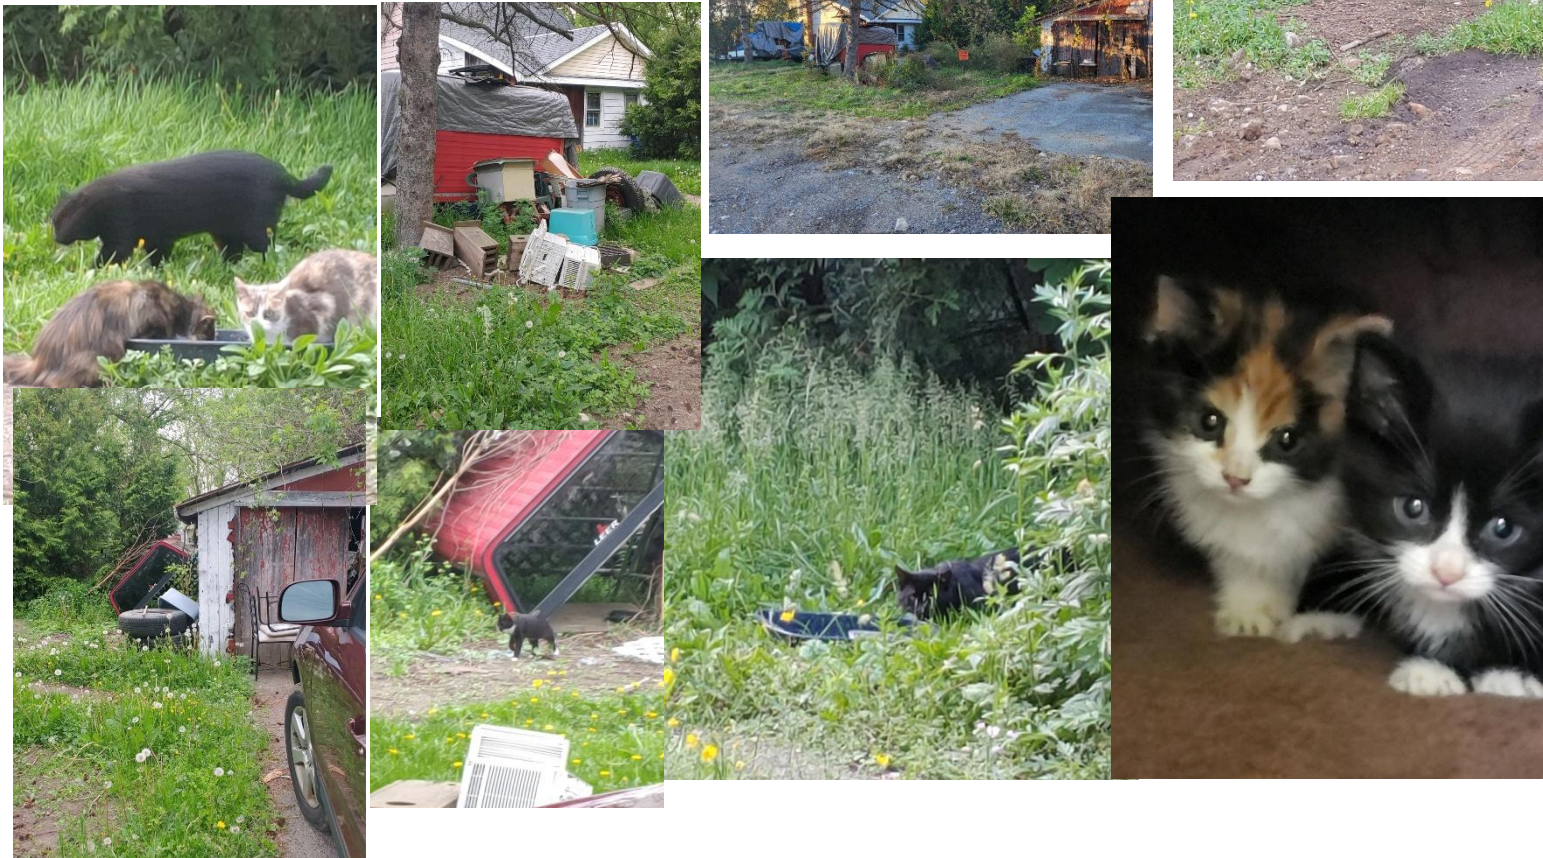

If you have worked with our organization before and know your Feral Cat FOCUS Representative, please call them and get on the appointment schedule. If you do not have your Representative's information and only know their name, call our main line at **1-888-902-9717**, and a message will be sent out to that Representative. If you are new with Feral Cat FOCUS, and need help getting started on a TNVR (Trap/Neuter/Vaccinate/Return) project, one of our Representatives can assist you on the proper procedures to get your project started. Also please go on our website www.feralcatfocus.org to learn more about TNVR and caring for the feral/free roaming 'Community cats' in your area.

Become a hero!

Help save cats lives through TNVR.

One of the many projects that Feral Cat FOCUS worked on last year and has now completed was an abandoned property in rural Alden. Feral Cat FOCUS was notified by a concerned neighbor about the feral cats in need of help. FCF altered 15 adult cats and sent 2 kittens on to the SPCA serving Erie County for adoption. All the adult feral cats were placed into our 'Blue Collar Working Cat Program'. These cats have met our criteria, for relocation under our strict guidelines. Please be aware Feral Cat FOCUS DOES NOT support relocation, except in severe cases, and when there is No other option.

Here is their story in pictures.

If you or someone you know can help unfortunate animals like these. Please have them fill out an application for the 'Blue Collar Working Cat' program on our website. www.feralcatfocus.org
